Rainbow Graduation

Great Hall, Eleanor Roosevelt College
June 9 | 4:00 p.m.

Make your plans now to attend UC San Diego's Rainbow Graduation. Saturday, June 9th, 2012, 4pm at the Great Hall at Eleanor Roosevelt College.

Please join the UC San Diego LGBT community as we come together to honor the students who are graduating, our volunteers, our scholarship recipients and all who have impacted our community over the last year. The event serves as the formal induction of the graduates into the family of the UC San Diego LGBT Alumni. Although many people do get dressed up for the event, it tends to be a queer little get together, with all the trappings of our community, so be yourself. We conclude our ceremony with a scrumptious spread of good food.

If you are graduating, [sign up](#) today! If you would like to volunteer, contact Jonathan at lgbtrcvolunteers@gmail.com. We hope to see everyone there!

Blast from the Past: LGBT March on Campus

In celebration of the 10th anniversary of the Rainbow Newsletter, a memorable event from the past will be highlighted every week.

Ten years ago, on May 9th, the LGBTA invited the entire LGBT and Allied Community to join with them as they marched from the Revelle Plaza to the Price Center: Out and Proud for the UCSD campus to see, hear and feel our presence!

"For me, forgiveness and compassion are always linked: how do we hold people accountable for wrongdoing and yet at the same time remain in touch with their humanity enough to believe in their capacity to be transformed?"

WERQin' It! Chubby Queers of Color

Cross-Cultural Center Library
May 10 | 5:00 p.m. - 7:00 p.m.

Body image is a big part of mainstream media that often pathologizes and limits the experiences of Chubby, Fat and Big bodies. Let's move beyond these limiting ideals of 'Fat Acceptance' towards a rhetoric of self-love and appreciation of one's worth. Chubby Queers of Color are sexy and Fierce! Big bodies can handle, and WERQ it too.

Modes of Transitioning

Cross-Cultural Center Library
May 9 | 5:00 p.m. - 6:00 p.m.

The dynamic, experiences, and needs of each organization, space, and individual, alters and shifts as new folks come into these Leadership positions. As the year comes to an end, whether you are expecting to return to the student leadership or not, it is important to ask: What do I do with the knowledge and experiences I have attained this academic year? How do I pass on what I have learned to the future board, team, intern, etc? Transitioning and shifting roles is a difficult, and necessary process. Also, it is important to reflect on the transitioning out of UCSD, into the workforce, Grad School, etc.

Join the CCC Diversity Peer Educators (DPEs) to reflect on what it means for student leaders to transition out of this academic year and provide the insight and experiences to the new incoming leadership, and upcoming life experiences.
